ALL ARE GROUP TRIP, AND A CHANGE IN NUMBER OF TRAVELLERS WILL AFFECT THE PRICES

Date: 5th January 2026 to 10th December 2026 (Excluding Easter Holidays 3rd April 2026-6th April 2026 & Festive season period.

'Theatre of the Wild'

The sight of dust-red elephant wallowing, rolling and spraying each other with the midnight blue waters of palm-shaded Galana River is one of the most evocative images in Africa. This, along with the 300 kilometer long Yatta Plateau, the longest lava flow in the world, make for an adventure unlike any other in the Tsavo East. The park forms the largest protected area in Kenya and is home to most of the larger mammals, vast herds of dust –red elephant, rhino, buffalo, lion, leopard, pods of hippo, crocodile, waterbucks, lesser Kudu, gerenuk and the prolific bird life features 500 recorded species.

DAY 1: ARRIVAL

You shall be picked up at 6:30 AM from Nairobi Kencom stage opposite International Life House by our representative in a group sharing open roof top Land cruiser. After a quick meet and greet, our representative will load your luggage into our comfortable open roof top Land cruiser and waste no time in departing to one of Kenya's most beautiful and scenic national park, Tsavo East National Park. Your drive will cover around 280 kilometers hence it will take approximately five and a half to six hours to arrive at your destination.

Upon arrival, you will drive to Voi Wildlife Lodge, where you will check-in and have your leisurely lunch.

Nestled in the heart of elephant country, Voi Wildlife Lodge is located in the Savannah grasslands of Tsavo East, Kenya, just 5km off the main highway connecting the Capital Nairobi to Mombasa. Officially opened in 2003, the lodge is situated on a 50-acre site on the boundary of Tsavo East National Park.

The lodge's strategic location within the park gives guests direct access to incredible wildlife sightings. Tsavo East is home to the famous "red elephants" of Tsavo, as well as lions, giraffes, zebras, and a variety of bird species. The lodge's viewing deck offers the perfect vantage point for watching wildlife as they move through the park, making it ideal for photographers alike.

The bar area is a welcoming spot where guests can unwind with a refreshing drink in hand. Located in a prime spot with scenic views**,** the bar provides a relaxed atmosphere for guests to enjoy cocktails, wine, beer, or non-alcoholic beverages while soaking in the surrounding beauty of Tsavo East. As the sun sets, the bar becomes an ideal location to savor a sundowner while enjoying panoramic views of the park's expansive landscape. It's the perfect spot to socialize with fellow travelers, reflect on the day's safari adventures, or simply relax and take in the serene surroundings.

The swimming pool at the lodge offers a refreshing and serene environment where guests can unwind after a long day of thrilling game drives. Surrounded by the natural beauty of Tsavo East, the pool provides an excellent opportunity to cool off and relax while enjoying views of the vast savannah. Whether you're looking to relax or cool down, the pool serves as the perfect escape from the heat of the day.

By 3:30 PM, a thrilling afternoon game drive awaits. This afternoon safari shall provide the opportunity to explore different areas of Tsavo East, potentially spotting rare wildlife such as leopards or elusive cheetahs. The park's unique landscapes, from rolling hills to vast plains and rocky outcrops, offer plenty of photographic opportunities.

Later in the evening by 6:00 PM, head back to the lodge as the sun sets. You can enjoy an evening of relaxation, with dinner served in the lodge's restaurant. Relax, rejuvenate and prepare for the next day.

In the afternoon, the temperatures tend to cool slightly, which makes it more comfortable for both the wildlife and the guests. This is also a prime time to spot animals as they become more active after the midday heat. The afternoon game drive offers a mix of sightings, such as herds of elephants, giraffes, and buffaloes grazing in the open plains, while predators like lions and cheetahs might be spotted resting in the shade.

The park's landscape, with its rolling hills, acacia trees, and waterholes, creates an ideal backdrop for wildlife photography, offering plenty of opportunities to capture unique moments. The guide will also share insightful information about the animals' behavior, the park's ecosystems, and its conservation efforts, enriching the experience.
